

MountFest 2017

2PM – 8PM

Mount St. Francis has been serving the spiritual needs of Kentuckiana youth, young adults and adults for well over one hundred years. This outreach has been supported solely by the Franciscan friars and their neighbors and friends. Since the 1920's, the friars sought to increase financial support of their work by holding an annual picnic. Well over a thousand people have been in attendance each year. In 2015, a decision was made to move from a traditional picnic to a celebration of food, music, and the arts. This annual event, "**MountFest: An experience of Kentuckiana**" features local wineries, breweries, food establishments, crafts people, artists, and live music. MountFest is held on the first Saturday in June, this year June 3rd.

Print and social media advertising for MountFest will begin in February 2017 and include a listing of participating vendors. As vendors sign up they will be added to our advertising. A participation fee of \$50.00 for a 10 x 10 space will be refunded when you arrive and set up your booth.

Participating vendors agree to donate 25% of the monies they bring in during the event. Every penny of this income will be used to make our programs more affordable/accessible to those who have financial need.

Mount St. Francis is located at the junction of Paoli Pike and Indiana 150 in Floyds Knobs, IN.
